

SALAD/FOOD BAR FORM

Total Number of Students Served at the Salad/Food Bar	Monday	Tuesday	Wednesday	Thursday	Friday

[illegible]

* To determine the total amount of each food item used:

1. Determine the amount of each food item placed on the food bar for each day (the amounts placed on the bar at the beginning of the meal service plus any additions to the bar during the meal service).
2. Determine the amount of each food item left over on the food bar at the end of the meal service.
3. Subtract the amount left over from the amount placed on the food bar for each food item to determine the amount of each food item used.
